Negation

Live

Never used to be so tired
Never used to be so anxious
Never said "used to be" so muchIf this is love then I
Have been so sorely mistaken
If this is peace then I
Have been so falsely awakenedPlease don't tell me what love is
Let's look together
And find out what love is notI've been to every book
I've been to every seer
In order to find the truth
As if it lives somewhereI want to uproot my violence
I want to live like a saint
I want to give up everythingJust like the businessman wants to gain
Just like the businessman wants to gainPlease don't tell me what peace is
Let's look together
And find out what love is not
