

Demons Sing Love Songs

Unwound

when i left my island i was wrong
met a phantom, memorized a song
nothing happens now that i belonglove's a demon, love's a demon, love's a demon, love
love's a demon, love's a demon, love's a demon, lo-o-ovesometimes i think i'm stranded in hotels
hanging from the highest tree in townlove's a demon, love's a demon, love's a demon, love
love's a demon, love's a demon, love's a demon, lo-o-oveI'm the monster standing by your heart (love's a
demon...)
a lifesize figure ashamed to be alive (love's a demon...)
love's a demon, love's a demon, love's a demon, love
love's a demon, love's a demon, love's a demon, love
