The Distance

Five a.m.

I hear you crying
3 stories, I
You placed too many stairs for me to climb
For me to climb
Can you hear me?
I'm calling your name.
It's the distance between you and me.
Sometimes the distance is all I see.
Sometimes it's easier to go,
Easier to leave.
Then to cross this distance
Between you and me.

I watch the sunrise,
I wait for you.
You smile politely,
As you pass through, as you pass through.

Can you hear me?
Cause I'm calling your name.
It's the distance between you and me.
Sometimes the distance is all I see.
Sometimes it's easier to go,
Easier to leave.
Then to cross this distance
Between you and me.

And just this once,
Say all the words that fall between us.
Too late, and say so.
We can spend our lives behind concrete walls.
So far away..

And it's the distance between you and me.
Sometimes the distance is all I see.
Sometimes it's easier to go,
It's easier to leave.
Then to cross this distance
Between you and me.
Between you and me.

Between you and me.
