

Don'T Be Good

Chantal Kreviazuk

Do do do, do do do
Do do do, do doI don't know when you learn it
But when you learn it you learn it fast
They're the ones who love to learn
And they're not fast they're nice guys they finish lastThey're waiting and wondering
Where did I go wrong?Don't be good, don't be good
Don't be good to me
Don't be good, though you should
That won't work you seeDo do do, do do do
Do do do, do doWell I don't know when I learned it
But when I learned it I learned it fast
They're the ones that love to love me
They're not fast they're nice guys they finish lastWaiting and wondering
Wondering where did I go wrongDon't be good, don't be good
Don't you be good to me
Don't be good, though you should
That won't work for meWaiting and wondering, waiting and wondering
Wondering where did I go wrong
They're waiting and wondering
Waiting and wondering, wonderingWaiting and wondering
Wondering where did I go, ohDon't be good, don't be good
Don't be good to me
Don't be good, though you should
That won't work, you seeDon't be good, don't be good
Don't you be good to me
Don't be good, though you should
That won't work, you seeSo don't be good to me, don't be good to me
Don't be good to me, good to me
Good to me, good to me, good to me
You're so good for me, good for me, good for me
