Flobots

I can ride my bike with no handlebars
No handlebars
No handlebars
I can ride my bike with no handlebars
No handlebars
No handlebars

Look at me, look at me
Hands in the air like its good to be
Alive and I'm a famous rapper
Even when the paths are all crookedy
I can show you how to dosey doe
I can show you how to scratch a record
I can take apart the remote control
And I can almost put it back together
I can tie a knot in a cherry stem
I can tell you about Leif Ericson
I know all the words to "De Colores"
And "I'm proud to be an American"
Me and my friends saw a platypus
Me and my friends made a comic book
And guess how long it took
I can do anything that I want 'cause look

I can keep rhythm with no metronome
No metronome
No metronome
I can see your face on the telephone
On the telephone
On the telephone

Look at me, look at me
Just called to say that its good to be
Alive in such a small world
I'm all curled up with a book to read
I can make money open up a thrift store
I can make a living off a magazine
I can design an engine
64 miles to the gallon on gasoline

I can make new antibiotics
I can make computer survive aquatic
Conditions I know how to run the business
And I can make you wanna buy a product
Movers shakers and producers
Me and my friends understand the future
I see the strings that control the systems
I can do anything with no resistance 'cause

I can lead a nation with a microphone
With a microphone
With a microphone
And I can split the atoms of a molecule
Of a molecule
Of a molecule

Look at me, look at me
Driving and I won't stop
And it feels so good to be alive and on top
My reach is global
My tower secure
My cause is noble
My power is pure
I can handout a million vaccinations
Or let em all die from exasperation
Have 'em all healed from their lacerations
Or have em all killed by assassination
I can make anybody go to prison
Just because I don't like them
I can do anything with no permission
I have it all under my command because

I can guide a missile by satellite
By satellite
By satellite
And I can hit a target through a telescope
Through a telescope
Through a telescope

And I can end the planet in a holocaust
In a holocaust
In a holocaust
In a holocaust
In a holocaust

In a holocaust

I can ride my bike with no handlebars

No handlebars

No handlebars

I can ride my bike with no handlebars

No handlebars

No handlebars
