

Crazy

Kat Dahlia

Is it crazy that I want you to stay
When I tell you to leave
When I tell you go
Is it crazy that I say your name
More times a day
Than I say my own
Tell me baby is it crazy?
Tell me baby is it crazy?

Is it crazy when you're gone for a minute
I'm missing you, Yeah I feel alone
Is it crazy that I'm jealous of them bitches
When they get your time
And I know its wrong
But tell me is it crazy?
Yeah, I need to know if it's crazy
Damn

Cuz I ain't been myself
Lately somethings going on
Nah boy I ain't even slept
I been up all night long
In my head
Trying to figure out what I want what I do
What I don't

Is it crazy all them answers is You
Tell me cuz its blowing my mind
Tell me cuz I don't understand
How someone just can walk into your life
And everything before them you forget

Is it crazy?
Tell me what's going on
I need to know
Cuz I ain't tryna lose myself
Or lose control
Baby tell me the truth
I need to know
Is it crazy?

Baby is it crazy?

Is it crazy that I told my ex donâ€™t call no more cuz Iâ€™m in love?
Is it crazy that I keep your shirt right here just to smell your cologne?

Damn that sounds crazy

Tell me is it crazy

Cus I ain't been myself
Lately somethings going on
Nah boy I ain't even slept
I been up all night long
In my head
Trying to figure out what I want what I do
What I donâ€™t

Is it crazy all them answers is You
Tell me cuz its blowing my mind
Tell me cus I donâ€™t understand
How someone just can walk into your life
And everything before them you forget

Is it crazy?
Is it crazy? (crazy)
Is it crazy? (crazy)
Is it crazy?
Tell me is it crazy?
Is it crazy?
Is it crazy?

Well if it is Iâ€™ll just be crazy for you
Baby cuz itâ€™s blowing my mind
Tell me cuz I donâ€™t understand
How someone just can walk into your life
And everything before them you forget

I'm crazy crazy crazy for you
I'm crazy crazy crazy for you
