Together

Advisory - the following lyrics contain explicit language:

If we could be on a desert, lost without a place to go
But we're so in love, in love with each other
That we wouldn't even know oh, I don't care
Any place anywhere just as long as we're thereTogether, together
Baby just you and me
Oh, how happy we'll beWe could be in poverty, with no one to lean a helping hand
But it's alright, alright I know, because
You always understand oh, I don't care good
And bad we'll share just as long as we can share themTogether, together
Baby just you and me
Oh how happy we'll be
