

Together

Playa

Advisory - the following lyrics contain explicit language:

If we could be on a desert, lost without a place to go
But we're so in love, in love with each other
That we wouldn't even know oh, I don't care
Any place anywhere just as long as we're there Together, together
Baby just you and me
Oh, how happy we'll be We could be in poverty, with no one to lean a helping hand
But it's alright, alright I know, because
You always understand oh, I don't care good
And bad we'll share just as long as we can share them Together, together
Baby just you and me
Oh how happy we'll be
