

# Tainted Love

## The Living End

Well sometimes I feel I've got to  
Runaway  
I've got to  
Get away

From the pain you driving to love meThe love we shared  
Seemed to go no where  
And I lost my life

For I toss and turn I can't sleep at nightOnce I ran to you  
Now I run from you

This tainted love you've givenI give you all a boy can give you  
Take my tears and thats not nearly all!Well sometimes I feel I've got to  
Runaway  
I've got to  
Get away

From the pain you driving to love meThe love we shared  
Seemed to go no where  
And I lost my life

For I toss and turn I can't sleep at nightOnce I ran to you  
Now I run from you

This tainted love you've given  
I give you all a boy can give you  
Take my tears and thats not nearly all!Tainted Love (whoa-oh)

Tainted LoveNow I know I've got to  
Runaway  
I've got to  
Get away

You don't really want anymore from meTo make things right  
You need someone to hold you tight  
And they say love is to play

Well I'm sorry I don't play that wayOnce I ran to you  
Now I run from you

This tainted love you've given  
I give you all a boy can give you  
Take my tears and thats not nearly all!Tainted love (whoa-oh)

Tainted love(Alright!)Don't touch me please  
I cannot stand the way you tease  
And I love you though you hurt me so

So I'm gonna pack my things and goThe love we shared  
Seemed to go no where

And I lost my life  
For I toss and turn I can't sleep at nightOnce I ran to you  
Now I run from you  
This tainted love you've given  
I give you all a boy can give you  
Take my tears and that's not nearly all!Tainted Love (whoa-oh)  
Tainted Love (whoa-oh)  
Tainted Love (whoa-oh)  
Tainted Love
