Delirium

Neko Case

I kissed you in the morning
But only in my mind's eye
The sunlight rolls along your sleeping dunes
The smell upon your skin is fireworksDelirium, delirium
Kaleidoscoping in
Could you love me too?
In my deliriumThe lions of the lamps coming filing in
Pacing through the still around the bed
Halos of their royal breathing
Break like waves across the ceiling
In your dreams, do you know
I'm the only thing between you
And this heartbreak feeling?Delirium, delirium
Kaleidoscoping in
Could you love me too?
In my deliriumIs it still the morning?
We left no trail of time
You're camouflaged so fate can't
Take you from myDelirium, delirium
Kaleidoscoping in
Could you love me too?
Could you love me too?
In my delirium
