

Just a Man (2016 Remastered Version)

Faith No More

Sky is clear tonight
Sky is clear tomorrow
A star is out
I reach for one to sparkle in my hand
A star is out
I will not touch you, I am just a man
Sky is clear tonight
Sky is clear tomorrow
And every night I shut my eyes
So I don't have to see the light
Shining so bright
I'll dream about a cloudy sky,
A cloudy sky
I'll dream about a cloudy sky, a cloudy
"man was born to love-
Though often he has sought
Like icarus, to fly too high-
And far too lonely than he ought
To kiss the sun of east and west
And hold the world at his behest-
To hold the terrible power
To whom only gods are blessed-
But me, I am just a man"
And every night I shut my eyes
So I don't have to see the light
Shining so bright
I'll dream about a cloudy sky, a cloudy sky
And every night I shut my eyes
But now I've got them open wide
You've fallen into my hands
And now you're burning me
You're burning me
