Strapping Young Lad

Human Mind, Human Soul...
Human Weakness
I love you... I love you...
Fight! Fight! Fight! Fight!No... no one
No pride at allI see devastation and I'm ready to BURN!
My skin is infectedQuiet now, Quiet now... Quiet Human
I love you... I love you...
Fight! Fight! Fight! Fight!No... no one
No pride at allYou Fail
I am Temptation... your Saviour
Now your Soul dies...You won't survive
Nothing will ever survive...
Filling the void with nothingnessAll rise... Satan steals you away
Hate Springs eternal
I see devastation and I'm ready to BURN!My skin is infected
And I never...
Never...
There's no release
