Use Me

The Answer

I've got nothing left, I've got nothing to give
I guess you gotta know I'm beginning to loose my grip
And I told that I wanna be free, yes I told you that I wanna be free
like a skin over the hill I see the brave
I, I am ready, I am ready to face your (??? chain maybe?), yeah
New horizon, new horizons ahead, (Again/I can't), (no/know)Use me, won't you use me, won't you use me
Use me, won't you use me, won't you use meCome on!
So come on!You fight rough, you know you've got your dirty ways
You said all I really needed was a lover and a great escapeThere's a danger that we're gonna ignite, a danger that we're gonna ignite,
a danger that we're gonna ignite this dark sky.Liberation, liberation to dream (yes, ???)
So keep on swinging, swinging high through the air, (up there?), oh!Use me, won't you use me, won't you use me
Use me, won't you use me, won't you use meAnd you lead us, to war
You lead me to ruin before, yeahSo lead, us, to war
lead, us, to warYou lead me to ruin before, yeahUse me, won't you use me, won't you use me
Use me, won't you use me, won't you use meCome on, use me!
