

A House With Love In It

Nat King Cole

A house with love in it is rich indeed

Although there are a thousand things that house may need
The carpet may be old, the room so plain and bare

And yet it's beautiful somehow when love is living there
A house with love in it just seems to bloom

As though the month of may were filling every room
So darling true the years with all my heart I'll pray

A house with love in it is where we'll stay
