

Useless

Trash Candy

I am human being,
but I'm stuck between,
selfish disarray,
broken statements.If I jump the gun,
I'll fall behind,
it'll be harder to get up.But it's going to be alright,
and it's going to be just fine,
when it fades away
it'll make my day.Leave me standing there and call me useless,
cause I still haven't found,
no I still haven't found,
ways to show you, you can do no harm to me,
I will scream, I WILL SHOUT,
I will spin you aroundAnd If I'm not good,
I suppose I could,
turn my head around,
take the shortcut.I do not regret,
my mind is set...
and I am ready to fight back.And it's going to be alright...
and It's going to be just fine
I am not falling through -
Fuck all the things i could never do!Leave me standing there and call me useless,
cause I still haven't found,
no I still haven't found,
ways to show you, you can do no harm to me,
I will scream, I WILL SHOUT,
I will spin you around.Losing ground, I'm fallin' down,
I'll fight forever won't let myself down,
hear me how, I'm burning now!!Leave me standing there and call me useless,
cause I still haven't found,
no I still haven't found,
ways to show you, you can do no harm to me,
I will scream, I WILL SHOUT,
I will spin you around.Leave me standing there and call me useless,
and I still haven't found,
no I still haven't found,
spin me around...
spin me around...
