Ladies Night

Piggy D.

Ooh, oh yeah yeah
Oh what a night
It's ladies night
This is your night tonight
Everything is gonna be alright
This is your night tonight, come on, girls
Girls, we've all got one
A night that's special everywhere
(Everywhere)
From New York to Hollywood
It's ladies night and girl
The feeling's good
Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night
Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
Romantic lady, ooh, oh yeah, single baby
Sophisticated mama
Come on you disco, baby, yeah, yeah
Stay with me tonight
If you hear any noise
It ain't the boys, it's ladies night
Come on, girls
Gonna step out ladies night
Steppin' out ladies night
Gonna step out ladies night
Steppin' out ladies night
Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night
On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is our night, ladies, you got to be there
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
