Starts With Me

Tim Timmons

What can I do to leave a legacy?
How can I speak with authority
When I can't see you,I can't see you
How can I know the dreams you have for me?
How do I believe beyond what I have seen?
When I can't hear you,I can't feel you now
No,no,noYou're my revival song,you start where I belong
On my knees,on my knees
When I'm weak or strong you need me here
When I'm on my knees,on my knees
Oh,it starts with meWhy do I try to work outside of you?
Knocking down doors I should be going through
But I'm so tired,I'm so tired
You take my burdens off of my shoulders
You break the lies that hold me back
I'm not sure enoughYou're my revival song, you start where I belong
On my knees,on my knees
When I am weak or strong you need me here
When I'm on my knees,on my knees
Yeah,it starts with meI really wanna change the world I really wanna sing your song but I know
Revival's got to start with me
I really wanna change the world
I really wanna sing your song
But I know revival's got to start with meYou're my revival song,you start where I belong
On my knees,on my knees
When I am weak or strong you need me here
When I'm on my knees,on my kneesYou're my revival song,you start where I belong
On my knees.on my knees
When I am weak or strong you need me here
When I'm on my knees,on my knees
It starts with me
