When The Shit Hits The Fan

Circle Jerks

In a sluggish economy inflation, recession
Hits the land of the free
Standing on an employment line
Blame the government for hard timesWe just get by, however we can
We all gotta duck when the shit hits the fanTen kids in a Cadillac
Standing in line for welfare checks
Let's all reach off the state
Gee the money's really greatWe just get by, however we can
We all gotta duck when the shit hits the fanSoup lines, free loaves of bread
Five pound blocks of cheese bags of groceries
Social security, has run out, on you and meWe do whatever we can
Gotta duck when the shit hits the fan
