Sugar

Julia Fordham

(Julia Fordham)It is what it is what it is what it is what it is
And that would be that
And I give and I give and I give and I give and I give
And I want some backWhere do I sign?
Where do I go?
Did I miss a page?
I don't knowSifting through the sand for sugar
Digging deep like a wise old Buddha
No more I really wish I shoulda
Sifting through the sand for sugarIt's the same old the same old the same old the same old the same old
The same old story
And I don't know I don't know I don't know I don't know
I don't know what's come over meHolding my breath
Staying afloat
Thought I had it made
But I don'tSifting through the sand for sugar
Digging deep like a wise old Buddha
No more I really wish I woulda
Sifting through the sand for sugarSlipping through my fingers
So sweet to hold
Sifting sifting sifting sifting
For grains of goldSugar
Gotta find me some gold
Gotta fine me someone to hold
