

Such a Drag

Tennis System

Something in the air tonight
That makes me think of you
I don't care what I have to do
I'll make it home to youBut oh my God
You're so far away
It's such a drag
All I can do is singSomething in the way she drops my name
Oh it drives me crazy
All I wanna do is lay in bed all day long
And kiss like crazyBut you're so far away
It's such a drag
All I can do is sing
