

# The Best You Never Had

Leona Lewis

I was so in love with you  
There was nothing I could do  
Wouldn't give me the time of day  
Now you wanna be with me  
You say you wanna be with me You said I was the best  
Gave your love out to the rest  
There was nothing I could say  
But now it's going good for me  
You say you wanna be with me  
Now Yeah you're telling me I am where it's at  
But I ain't having none of that Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had No, No, No You saw me as a friend  
Baby I don't want revenge  
But if you must know the truth  
What you didn't see in me  
That's what you'll never be now  
When you're telling me I always was the one  
I see a desperation Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had Back rubs  
Good love  
My stuff  
That's what you missed out on  
My touch  
So much we could've had  
And baby  
You miss  
My kiss

My lips  
The love I had for you  
Also so long, baby don't it make you sad Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had Because I told you, you would live to regret it  
Now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had Well I will always be the best you never had The best you never had
