

Lift U Up (Mousse T. Remix - Radio Edit)

Gotthard

I'll tell ya what to do when your life has you in a bind
When you're calling up on luck,
But the Beep Beep is all that you find
And there's nothing you can do about it 'Cause there's more than is meeting the eye
Now I wantcha to know
That you're part of the show
Come around, come around, come around I can't live without
Whoa, want to rock this feeling off the ground
want to lift you up
Whoa, want to rock , rock 'till the morning dawn Morning dawn
All I want to do's put a smile back there on your face
Just forget about the blues
'Cause we need you here to shake up the place And there's nothing you can do about it
'Cause there's more than is meeting the eye
Now I wantcha to know
That you're part of the show Come around, come around, come around
I can't live without
Whoa, want to rock this feeling off the ground
ant to lift you up Whoa, want to rock , rock 'till the morning dawn
Morning dawn
One crowd, one hymn
Now let the show begin One time again
Around, come around, come around
I can't live without
Whoa, want to rock this feeling off the ground Want to lift you up
Whoa, want to rock , rock 'till the morning dawn
Rockin' and rollin' and rockin' and rollin' and...
Whoa, want to rock this feeling off the ground Want to lift you up
Whoa, want to rock , rock 'till the morning dawn
Morning dawns
