

Blind

Stratovarius

When you tell me that your truth
Will set me free
Don't believe you and I wish you'd let me be
From the cradle to the grave I feel your pain
But I'm trying to erase you from my brain
Carry me to the shore, carry me
I can't stand it anymore

I am blind but I can see you in my mind
I am blind but I can see you
I am blind

When you say you have a way to make me talk
I just wanna turn around and start to walk
Can't you see, don't want to be inside your mind
Set me free, leave me be, and make me blind
