

Stressin'

Adema

The weight of the world has been put on my shoulders
I looked in the mirror and know that I'm older
I try to escape but the rain makes it colder
Why do I let all our problems take over? There's nothing I can do
There's nothing I can say
We need to try to find the right way Stressin'out. Stressin'out
God has turned his back on me
Stressin'out. Stressin'out
There's nothing left for us to say
Stressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
There's nothing left to blame
To blame I've tried to explain what it's doing to me
Arguing over the simplest things
You tried to make life like you want it to be
Upset everyday isn't something we need There's nothing I can do
There's nothing I can say
We need to try to find the right way Stressin'out. Stressin'out
God has turned his back on me
Stressin'out. Stressin'out
There's nothing left for us to say
Stressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
There's nothing left to blame You're letting me down again. You're letting me down again
You're letting me down again, letting me down again There's nothing I can do
There's nothing I can say
We need to try to find the right way Stressin'out. Stressin'out
God has turned his back on me
Stressin'out. Stressin'out
There's nothing left for us to say
Stressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
I cannot change the fact Stressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
I cannot change the fact

Stressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
I cannot change the factStressin'out. Stressin'out
God has turned his back
Stressin'out. Stressin'out
God has turned his back
