

Dancin' Fool

Mike Bloomfield

When I hear a band blowin' Basie
I can count on losing my cool
Take me where the rhythm is racy
 Let me be a dancin' fool
Some prefer the Cafe Europa
 Sipping Dubonnet on a stool
Me, I get my kicks at the Copa
That's where I'm a dancin' fool
 I'll show you some moves
 Smooth as satin
And others, they don't teach in school
When that crooner starts in to scattin'

 Just give me a chance an'
 My Tuxedo pants an'
 Presto
 I'm a dancin' fool
When those trumpets blare, man
 I ain't got a care, man
I'm like Fred Astaire, man
 Cool
 Just give me a chance an'
 My Tuxedo pants an'
 Presto
 I'm a dancin' fool
