

Phenomenon

TobyMac

One Phenomenon, One phenomenon

And it just can't be stopped why'all

[Chorus]

We rock forever, we stop whenever

We rock forever, we stop whenever

We die whenever, we live forever

It's a phenomenon that can't be stopped

Forever, we stop whenever

We rock forever, we stop whenever

We die whenever, we live together

It's a phenomenon that can't be stopped now

Everybody out of the way

It's monumental at the end of the day

So come what may

Buts it's a wonder that will never fade

A marvel that will tickle the mind

It's unaccountable in actual time

But when we're free

They'll see that we're destined to be

[Chorus]

Well, I'm alive and I'm enjoyin the ride

But livin for the moment I die

Cause when I'm done, we will run eternally as one

My soul is up, up and away

My body dead right where it lays

I'm movin on going gone into the new beyond

[Chorus]

This is the drama you've been waiting for

A new dimension that is yours to explore

Such a mystery is looming at your door

This is the moment I've been prayin for

[Chorus]
