

Besame Sol

VenueConnection

A few years back I met this cats in the city of Madrid
Not gatos from the ghetto, truly righteous nothing hid
Now Iâ€™m a lounge and Hip Hop cat, damn right, a pioneer
Southern Born, got all that charm plus European flair

The passion for the groove and the need for gravity
Brought us close together and it became our destiny
El MarquÃ©s de CÃ¡ceres put is in the right direction
And I let it be known, that Iâ€™m a proud amigo of this here VenueConnection

Looking at the sun with my S.G.â€™s on
Welcoming the kiss from the morning sun
Looking at the sun with my S.G.â€™s on
BÃ©same Sol

We did some joints, and made our point and vibed like Holland and Dosier
When â€œMadrid Boogieâ€• hit the air, ha, ha, we knew thereâ€™d be no closure
From Madrid to Moscow and Tokyo and more
Radio City Music Hall weâ€™re knocking at your door

Now close your mouths you ainâ€™t see no ghost, itâ€™s me just havinâ€™ fun
Iâ€™m Marvin, Luther, Isaac and Teddy rolled up into one
And ask me how I do this, Iâ€™m just a talented son of a gun
Doinâ€™ my thang with my head held high laughing at the sun

Looking at the sun with my S.G.â€™s on
Welcoming the kiss from the morning sun
Looking at the sun with my S.G.â€™s on
BÃ©same Sol

Nunca me dejes sol, never leave me alone
