

# Pressure

## Paramore•€

Tell me where our time went  
And if it was time well spent  
Just don't let me fall asleep  
Feeling empty again'Cause I fear I might break  
And I fear I can't take it  
Tonight I'll lie awake, feeling emptyI can feel the pressure, it's getting closer now  
We're better off without you  
I can feel the pressure, it's getting closer now  
We're better off without youNow that I'm losing hope  
And there's nothing else to show  
For all of the days that we spent  
Carried away from homeSome things I'll never know  
And I had to let them go  
I'm sitting all alone feeling emptyI can feel the pressure, it's getting closer now  
We're better off without you  
I can feel the pressure, it's getting closer now  
We're better off without you  
Without youSome things I'll never know  
And I had to let them go  
Some things I'll never know  
And I had to let them go  
I'm sitting all alone feeling emptyI can feel the pressure, it's getting closer now  
We're better off without you  
Feel the pressure, it's getting closer now  
You're better off without me
