To Be Alone

Blaqk Audio

I always felt at home in the rain
Always felt protected by the storm
Without waining I was betrayed
I knew that you were walking toward me.Oh to be alone
Nothing I'd not do
Nothing I'd not lose
To be alone
To be alone with youI give you no invite to me
When you laid your jasmine at my feet
I stepped back and watched them drift away
Now I'm forever trying for usOh to be alone
Nothing I'd not do
Nothing I'd not lose
To be alone
To be alone with youNow I'm waiting
Will you ever come back for me?Oh to be alone
Nothing I'd not do
Nothing I'd not lose
To be alone
To be alone with youIf you are alone
Will you think of me
Nothing I'd not do
To be alone
To be alone with you
