Wherever I Go

Juelz Santana

Yeah Dip Set, Juelz Santana
Jim Jones, Freekey, Killa
Wherever I go
(Dogg I'm in the hood screaming what's really good)
Wherever I go
(You already know, you already know)
Wherever I go
(We smoking the best here I'm feeling you yes sir)
Wherever I go
(Things never change shit just stay the same)
Now they screaming out you already know
How fast the coupe already goes when I step on the peddle
I shoot the every show with the chicken stiletos
I like that I'm just a kid from the ghetto
When I move the petty goes
In very town I touchdown in yep and puff down in
Wherever I go
Niggaz solute me your as truly Santana the great oh
You should be ashamed and embarrassed
How I came in the game got a name and established woh
And my pivit is posted if you niggaz is scheming
My niggaz will notice they will get you and blow it
Man I did I dun I got it fuck it I admit it I stole it I'm that nigga I know it
So come get it and you think you can hold it
I don't think so nope I don't think so
Wherever I go
(Dogg I'm in the hood screaming what's really good)
Wherever I go
(You already know, you already know)
Wherever I go
(We smoking the best here I'm feeling you yes sir)
Wherever I go
(Things never change shit just stay the same)
Wherever I go
It's nobody gods I'm puffing Marley ducking Squaleys cars
Wherever I go
You know I stay fly float threw the sky smoke with my guys
(Westside K-Town)
On the corner where cotchies died now lets go to N.Y and love it

But out on the west I don't step out
Of my vest unless doggs I'm about to have sex
Wherever I go
You know my wrist stay naughty
No bitch can afford me
I'm about girl I did it with Wardy
And the places I go we making the dough
It's whips when we land there bitch we don't visit we got land there
So where frequent flyer's we cheat on flyer's so please be quite
Yeah Dip Set you already know
Wherever I go
(Dogg I'm in the hood screaming what's really good)
Wherever I go
(You already know, you already know)
Wherever I go
(We smoking the best here I'm feeling you yes sir)
Wherever I go
(Things never change shit just stay the same)
I'm so built for doing this here
Yeah I'm high I'm twisted on tilt still doing this here
Keep a thick chick with me
Taggin' along fat ass and thong attached to my arm
I might grab it I might smack it tell her
To tag it along mack and then we gone
You already know
Wherever I go
You see the cop over behind him fronting rocking them diamonds
Glockin' my lining till I spot me a diamond
'Cause a bitch into fucking
Talked her lips into sucking coughing up shit when I'm puffing
Man I'm talking like shit ain't nothing
Popping cooks of Chris and I'm stunting
I plays the bar for the night
But shit I got to start me fight
I said excuse me doggs pardon these Nikes and Ones nigga
Wherever I go
(Dogg I'm in the hood screaming what's really good)
Wherever I go
(You already know, you already know)
Wherever I go
(We smoking the best here feeling you yes sir)
Wherever I go
(Things never change shit just stay the same)
