

# The Advent of Panurge

## Gentle Giant

There coming over Charaton Bridge  
Look do you see the man who is poor but rich What do you wish and where do you go  
Who are you, where are you from  
Will you tell me your name?  
Rest awhile, call me your friend  
Please stay with me I'd like to help Then he said, "How can I speak when I'm dry  
And my throat is burning  
So bring me ale and I'll answer your doubts  
Friend in need I'd like your help  
Please take me home I'll stay with you" Then said he, "Fair Pantagruel  
My name is Panurge and I have come from Hell" Look at my friend, look around my friend  
Look at my friend, look all around you  
Look at my friend, take all round you  
Look at my friend, look all around you  
Hey, friend, look at my friend [Foreign Content] So brotherhood was made as their bond  
Carried him home and provide for his needs  
And his shelter this day was done as no other the like  
Faithfully their vow was made and from that day they were as one Then said he, "Fair Pantagruel  
My name is Panurge and I have come from Hell"
