

# Holocene (Luvian Remix)

## Bon Iver

Someway, baby, it's part of me, apart from me  
You're laying waste to Halloween  
You fucked it friend, it's on its head, it struck the street  
You're in Milwaukee, off your feetAnd at once I knew I was not magnificent  
Strayed above the highway aisle  
Jagged vacance, thick with ice  
And I could see for miles, miles, milesThird and Lake it burnt away, the hallway  
Was where we learned to celebrate  
Automatic bought the years you'd talk for me  
That night you played me 'Lip Parade'  
Not the needle, nor the thread, the lost decree  
Saying nothing, that's enough for meAnd at once I knew I was not magnificent  
Huddled far from the highway aisle  
Jagged vacance, thick with ice  
And I could see for miles, miles, milesChristmas night, it clutched the light, the hallow bright  
Above my brother, I and tangled spines  
We smoked the screen to make it what it was to be  
Now to know it in my memoryAnd at once I knew I was not magnificent  
High above the highway aisle  
Jagged vacance, thick with ice  
But I could see for miles, miles, miles
