Come to Me, Do

Chicago

Come to me, lonely, come to me, blue, yeah
Come to me, weary, come to me, do, yeah, yeah
I will refresh you, come to me, do
Come to me often, I'll come to you, I'll come to youAlways in my heart, always a song
This is the good part
You'll always know where you belongCome to me, darlin', ooh baby
Come to me, darlin'Come to me, happy, come to me, bad
Come to me looking what you ain't had
I will sustain you, come to me, do
Come to me, often, I'll come to you, I'll come to youYou are the kind one, I've waited so long
How does one find one?
You always know where you belongCome to me, darlin', ooh, ooh, baby
Come to me, darlin', owCome to me, darlin', come to me, darlin'
Come to me, darlin', owOh, come to me, darlin', oh baby
Come to me, darlin'Come to me, darlin', darlin'Come to me, darlin', darlin'Come to me, darlin', darlin'
