Cast Iron Heart

BlackHawk

Go on and cry, but you won't change my mind
Your pain and troubles don't concern me
I gave you my love, but it was not enough
I was just your bridge and girl you burned meSo don't hand me no hard luck story
Hopin' I'll just fall apart
Remember you're the one who left me
With nothin' but this cast iron heartThere was a time my heart was good and kind
There was no end to what I'd give you
But now I've changed, my world's been rearranged
I've tried but I just can't forgive youSo don't hand me no hard luck story
Hopin' I'll just fall apart
Remember you're the one who left me
With nothin' but this cast iron heartA cast iron heart, it can't show no mercy
A cast iron heart, it can't show no pain
So don't come to me for love or sympathy
'Cause there ain't none in this cast iron heartSo don't hand me no hard luck story
Hopin' I'll just fall apart
Remember you're the one who left me
With nothin' but this cast iron heartCast iron heart
