Twisted Transistor (AOL Sessions)

Korn

Hey you, hey you
Devil's little sister
Listening to your twisted transistor
Hold it between your legs
Turn it up, turn it up
The wind is coming through
Can't get enough

A lonely life
Where no one understands you
But don't give up because the music do
Music do! [Repeat x6]

Because the music do
And it is reaching inside you, forever preaching
Fuck you too
Your scream's a whisper
Hang on you
Twisted transistor

Hey you, hey you
Finally you get it
The world ain't fair, eat you if you let it
And as your tears fall on
Your breast, your dress
Vibrations coming through
You're in a mess

A lonely life
Where no one understands you
But don't give up because the music do
Music do! [Repeat x6]

Because the music do
And it is reaching inside you, forever preaching
Fuck you 'till
Your screams a whisper
Hang on you
Twisted transistor

Music do! [Repeat x4]

Hey you, hey you
This won't hurt a bit
This won't hurt a bit!
This won't hurt!
Says who says who?
Anesthetize this bitch
Anesthetize this bitch!
Anesthetize!
Just let me be
Between you and me don't fit

Music do
And it is reaching inside you, forever preaching
Fuck you 'till
Your scream's a whisper
Hang on you
Twisted transistor
