

# Hallelujah, I Love Him So

Peggy Lee

Let me tell you 'bout a boy I know  
He's my baby and he lives next door  
Every morning 'fore the sun comes up  
He brings me coffee in my favorite cup  
That's why I know yes I know  
Hallelujah I just love him so When I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him (knock knock knock) on my door In the evening when the sun goes down  
And there is nobody else around  
He kisses me and he holds me tight  
And whispers baby everything is alright  
That's why I know yes I know  
Hallelujah I just love him so When I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him (knock knock knock) on my door In the evening when the sun goes down  
And there is nobody else around  
He kisses me and he holds me tight  
And whispers baby everything is alright  
That's why I know yes I know  
Hallelujah I just love him so yeah Hallelujah I just love him so oh  
Hallelujah I just love him so
