

# Do You Know the Way to San Jose?

[Nancy Sinatra](#)

Do you know the way to San Jose?  
I've been away so long, I may go wrong and lose my way  
Do you know the way to San Jose?  
I'm going back to find some peace of mind in San Jose  
L.A. is a great big freeway, put a hundred down and buy  
a car  
In a week, maybe two, they'll make you a star  
Weeks turn into years, how quick they pass  
And all the stars that never were are parking cars and pumping gas  
You can really breathe in San Jose?  
They've got a lot of space, there'll be a place where I can stay  
I was born and raised in San Jose  
I'm going back to find some peace of mind in San Jose  
Fame and fortune is a magnet  
It can pull you far away from home  
With a dream in your heart, you're never alone  
The dreams turn into dust and blow away  
And there you are without a friend  
You pack the car and you ride away  
I've got lots of friends in San Jose  
Do you know the way to San Jose?  
Fame and fortune is just like a magnet  
It can pull you far away from home  
But with a dream in your heart, you're never alone  
Dreams turn into dust and blow away  
And there you are, without a friend  
So you pack up the car and you drive it away  
Oh, I've got lots of friends in San Jose  
Do you know the way to San Jose?  
Well I'm telling you, I can't wait to get back to San Jose
