

# Ten Miles (Brasco Mix)

## Infernal

Lately, you don't even talk to me  
And you don't need me, like you used to do  
The only never ever was for me  
I won't always hold my head up high Oh, oh, I don't know why  
Oh, oh, why don't you mind?  
Oh, oh, I don't know why  
Oh, oh, you must be blind Ten miles from you and all I can do  
Is wonder how we'll pull it through  
Ten miles from you, it shouldn't be true  
I don't know how we'll pull it through I was, never, warned to be deceived  
But with you, oh, I lose my mind Oh, oh, I don't know why  
Oh, oh, I lost my pride  
Oh, oh, I don't now why  
Oh, oh, you blow my mind Ten miles from you and all I can do  
Is wonder how we'll pull it through  
Ten miles from you, it shouldn't be true  
I don't know how we'll pull it through Ten miles from you and all I can do  
Is wonder how we'll pull it through  
Ten miles from you, it shouldn't be true  
I don't know how we'll pull it through  
Is wonder how we'll pull it through  
Ten miles from you, it shouldn't be true  
I don't know how we'll pull it through
