

# Wake Up the Sun

## Edward Sharpe & The Magnetic Zeros

I'm tired of God, tired of church  
I'm tired of Jesus, I'm trying to serve...  
No Religion  
My Religion is Love. I'm sick of Koran  
I'm sick of Mohammed No Religion -  
Love! All that you wanted  
Is all that you found in your heart.  
All that you wanted is all that they took from you... I'm tired of Buddha  
So bored of Abraham  
I'm tired of Krishna -  
Feels good to say I am! No Religion -  
My Religion is Love. God approves this message: LOVE All that you wanted  
Was all that you found in your heart.  
All that you wanted  
Was all that you found in your heart.
