

Day Tripper

[Paul McCartney](#)

Got a good reason for taking the easy way out
Got a good reason for taking the easy way out, now She was a day tripper, one way ticket, yeah
It took me so long to find out, I found out She's a big teaser, she took me half the way there
She's a big teaser, she took me half the way there, now She was a day tripper, one way ticket, yeah
It took me so long to find out, well I found out Tried to please her, she only played one night stands
Tried to please her but she only play one night stands, now She was a day tripper, Sunday driver, yeah
It took me so long to find out, I found out Day tripper, day tripper, yeah
Day tripper, day tripper, yeah
Day tripper, day tripper, yeah
