Freak Out

Tapes 'n Tapes

Even in the morning
With the light upon your face,
I look up and show the motions I'll use.
I can hear you breathing,
I feel the space and I...
Oh, I...
I'll be the one you'll never know.
Once you were the wildest man,
I've ever known,
Free from what the others said.
On your own.
I'll go, I'll go in the place you'll never know.
Wait until your wedding day,
Then you'll know!
Take it for your medicine,
Take what you sew!
Freak out, freak out, freak out!
I've been sure,
Will you look me in the eye?
Will you run from what you see?
Will you see me in the light?
I hope you do, I hope you stay!
And never leave.
Once it's never, nothing, no
I heard you say,
Once it's never, nothing, no
Take all you get!

Freak out, freak out, freak out!
I've been sure,
Will you look me in the eye?
Will you run from what you see?
Will you see me in the light?
Hope you do, I hope you stay!
Even in the morning,
Even inside,
I come on over,
And wake you in the night.
I feel you tremble,

I hear you call,
I'll be waiting
Up inside the moment
I thought you knew,
I see you walking,
You're turning blue,
Come up behind me and hear me say,
I'll be holding on...for a day!
Will you look me in the eye?
Will you run from what you see?
Will you see me in the light?
Hope you do, I hope you stay!
Don't go running from the light,
Don't go running to the sea!
Come on up inside my mind,
I hope you go there, stay there,
Hide there, wait there!
