

# I'm A Loner Dottie, A Rebel

## The Get Up Kids

Come tomorrow I'll be on my way back home  
In the morning call from a roadside telephone  
One night doesn't mean the rest of my life  
If I go it's not impossible but possible is probably wrong  
So, let go because I'm afraid to try  
I'll keep my hands by my side  
I won't come back  
I hope some day you'll understand I want to try  
And make it right but don't know if I can  
Last night everything was right and the rain was gone  
One summer night's the only time we've known  
So, shut your eyes and when you wake, I'll be gone
