

There for Me (Baby)

Tyrese

Yeah
I just wanna thank you
For always bein there for me
In times of good and then in times of bad
Check it out I know sometimes
It might seem hard
And you might think
that I ain't got no heart
Make no mistake
it isn't true
If I'm not there it doesn't mean that Im not feelin' you
Baby I'm a man and I can fathom some mo
You must understand I'm strong enough to take the load
It's because of you, girl
I can face this world girl
Baby I just want u to know
OhhhBaby, baby, you're the only thing that makes makes any sense to me
Shorty you're always down with me
Baby, baby, wanna thank you girl for lovin' me
Right or wrong your love is always there for me I know sometimes
You wanna talk
But wonder why I don't return your call
Looking back that it is you
I tell u baby nothing could be farther from the truth
Baby I'm a man and I got this on my mind
you must understand I got to have u in my life
It's b/c of u girl that I can face the world girl
Baby I just want u to knowBaby, baby, you're the only thing that makes makes any sense to me
Shorty you're always down with me
Baby, baby, wanna thank you girl for lovin' me
Right or wrong your love is always there for meBaby girl I know that I, I cannot be fooled
You're the only one that I can say that to
That's why I feel so much love for you
It's b/c of you I can it
Baby girl I want you to know
OhhhBaby, baby, you're the only thing that makes makes any sense to me
Shorty you're always down with me
Baby, baby, wanna thank you girl for lovin' me

Right or wrong your love is always there for me
