# Best For Me

## Dope

I'm not satisfied
But I'm done apologizing
No more compromise
No more compromising
Don't want to criticize
'Cause' I've done the best that I can
And I know I'm doing fine
So I don't really care what you think
I got nothing to prove
I got no one to please
I do what's best for me
I don't wanna fight
But I'm done justifying
So no more sacrifice
And no more sacrificing
So go on and criticize
'Cause you're so in reminding
And I know I'm doing fine
I don't really care what you think
I got nothing to prove
I got no one to please
I do what's best for me
(Best for me)
I got nothing to lose
Don't want nothing for free
I know what's best for me
(Best for me)
You think you know but you don't
(Know)
You think you will but you won't
(Know)
You think you know but you don't, don't, don't
You think you will but you won't
I don't really care what you, I don't really care what you
I don't really care what you think
I don't really care what you, I don't really care what you
I don't really care what you think
I got nothing to prove
I got no one to please

I do what's best for me
(Best for me)
I got nothing to lose
Don't want nothing for free
I know what's best for me
(Best for me)
I know what's best for me
I got nothing to lose
Don't want nothing for free
I do what's best for me
(Best for me)
I know what's best for me
