

There Is a River

Greater Vision

There came a sound from heaven of a mighty rushing wind
It filled their hearts with singing and gave them peace within
The prophet that gave this promise He said the spirit will descend
And from your inner being a river with no end

There is a river that flows from deep within there is a fountain that frees the soul from sin
Come to this water for there is a vast supply there is a river that never shall run dry

There came a thirsty woman she was drawing from a well
Her life was ruined and wasted and her soul was bound for hell
Oh, but then she met the Master who told of her great sin
He said if you'll just of this water you will never thirst again

There is a river that never shall run dry
