Right As Rain

Rosetta Stone

i don't know what it is you think i owe you
you've got to get me out of here
god only knows all the guilt that i go through
you've got to get me out of here
everythings as right as the rain
the more things change the more they stay the same
everythings right as rain
let me break you down 'cos i'm going to anyhow scared to open my mouth
i don't know what it is that is hiding behind you
you've got to get me out of here
lead me to just one whom you try to be kind to
you've got to get me uut of here
can anybody hear me you've got to get me out of here
