

Something Beautiful (Radio Edit)

Robbie Williams

You can't manufacture a miracle
The silence was pitiful, that day
And love is getting too cynical
Passion's just physical, these days You analyze everyone you meet
But get no sign, loving kind
Every night you admit defeat
And cry yourself blind If you can't wake up in the morning
'Cause your bed lies vacant at night
If you're lost, hurt, tired or lonely
Can't control it, try as you might
May you find that love never leave you
May you find it by the end of the day
You won't be lost, hurt, tired or lonely
Something beautiful will come your way The DJ said on the radio
Life should be stereo, each day
And the past, that cast the unsuitable
Instead of some kind of beautiful
You just couldn't wait All your friends think you're satisfied
But they can't see your soul, no, no, no
Forgot the time feeling petrified
When they lived alone If you can't wake up in the morning
'Cause your bed lies vacant at night
If you're lost, hurt, tired or lonely
Can't control it try as you might
May you find that love never leave you
May you find it by the end of the day
You won't be lost, hurt, tired or lonely
Something beautiful will come your way Some kind of beautiful
Some kind of beautiful
Some kind of beautiful All your friends think you're satisfied
But they can't see your soul, no, no, no
Forgot the time feeling petrified
When they lived alone If you can't wake up in the morning
'Cause your bed lies vacant at night
If you're lost, hurt, tired or lonely
Can't control it try as you might
May you find that love never leave you
May you find it by the end of the day
You won't be lost, hurt, tired or lonely

Something beautiful will come your way
You won't be lost, hurt, tired or lonely
Something beautiful will come your way
