

God Is A Banquet

Highasakite

God is a banquet
On which we feast
God is a banquet
On which we feastI search between
Sea and sky
Belover between
Sea and skyGod was a banquet
On which we fed
God was a banquet
On which we fedI heard his voice
Like a whisper
And felt like drinking the airNow vacuum the woods
And clear the shore
Sweep off all the shades
And suck the ocean dry
Set his arrow straight
And suck the ocean dry
Set his arrow straightThe wolves are gorgeous around my tent
The wolves are gorgeous around my tent
I hear them make
Pretty speechesNow vacuum the woods
And clear
The shore
Sweep up all the shades
And suck the ocean dry
