Your Painted Smile

Bryan Ferry

Too fast to live
And too young to die
One stolen kid and his babe
A certain smileWe never close, babe
We dance all night
I'm lost inside, babe
Your painted smileThe name of the place
The name of the placeYou'll never know, babe
The state I'm in
It's a plastic world, babe
No tiger skinDon't talk to me
Your perfume sighs
I'm lost inside, babe
Your painted smile
