Amy

Ryan Adams

I dont know why I let go I want to be your friend Flowers grow through my window and I love you againOh, I love you oh When you laid me down into your beautiful garden Flowers in the love of my arms Its God shining through to me, I guess Its God shining through to me, I guessOh I love you, Amy Do you still love me? I go to the places where we used to I feel sad I am out here lookin' for you sometimes I pretendOh, I miss you oh When you laid me down into your beautiful garden Flowers and the love of my arms Is God playing evil tricks on me? Is God playing evil tricks on me?Oh I love you Amy Do you still love me?Oh, I love you oh When you laid me down into your beautiful garden Flowers in the love of my arms Is God playing evil tricks on me?
